

LETTER OF INTRODUCTION

To whom it may concern:

Please allow this letter to serve as verification that **Lorraine Jenks** has been personally trained by the Honorable Al Gore and The Climate Reality Project to serve as a volunteer Climate Reality Leader for The Climate Reality Leadership Corps.

Lorraine was trained in **Sandton, South Africa** in **2014**. The training occurred over three days and focused on providing select groups of trainees with a deep understanding of the latest science of climate change, best practices in public speaking, social media, leadership skills, communication strategies, community outreach, and organizing.

Lorraine is a one of over 6,000 Climate Reality Leaders from over 100 countries trained by Mr. Gore and The Climate Reality Project. This group has been extraordinarily successful at reaching and informing people in their communities about the global climate crisis and its solutions.

Sincerely,

Mario Molina
